The applications for sponsorship to attend IUSSI-2018 are invited. The funds are available for student participants and are meant to support the travel grant. The application should accompany the following details:

- a) Originality of research work to be presented at IUSSI
- b) Whether the abstract has been accepted by the IUSSI screening committee
- c) Whether the grant has been sought from other source as well; if yes, then amount, purpose
- d) Cover letter from mentor/ advisor justifying the participation of the student at IUSSI

The application should reach the President, IUSSI India Chapter on or before
